Introduction

What is an Education Freedom Account?

In 2021 the State of New Hampshire passed an exciting new law intended to help expand educational opportunities available to New Hampshire students whose families earned 300% of the poverty line or below. In 2023, the state legislature increased the income limit to 350% of the federal poverty line. The new law created what are called "Education Freedom Accounts" or "EFAs." EFAs provide eligible students with a state grant of approximately \$3,700 base state adequacy aid (plus any qualifying differentiated aid that your children are eligible to receive) to spend on their education. Eligible expenses include such items as private school tuition, tutoring, online learning programs, educational supplies, and other educational expenses, which are discussed in more detail below. Children's Scholarship Fund (hereinafter referred to as the scholarship organization), a 501c3 charity scholarship organization, has been authorized by the State of New Hampshire to administer these accounts.

EFAs have opened up a new world of opportunity to New Hampshire families who may not otherwise have had a choice in their child's education. EFAs are empowering New Hampshire families to personalize their children's education in new and exciting ways, allowing eligible New Hampshire students the opportunity to find the school that best fits their needs!

Requirements of Education Service Providers

The scholarship organization shall not exclude, discriminate against, or otherwise disadvantage any education service provider with respect to programs or services based in whole or in part on the provider's religious character or affiliation, including religiously based or mission-based policies or practices. Prospective education service providers wishing to receive payments from EFAs must agree to certain conditions:

- 1 A Provider must submit the EFA provider application / registration form accurately and in full.
- 2 A Provider must agree NOT to refund, rebate, or share EFA funds directly with EFA parents or students in any manner.
- 3 Refunds must be remitted or refunded to the students EFA digital wallet within 30 days.
- 4 A Provider must comply with applicable anti-discrimination laws and applicable background check laws.
- 5 A provider must provide documentation of the processes used by you, the Education Service Provider, to ensure a safe learning environment. For example, you may upload a copy of your background check policy or other documentation.

- 6 Providers MAY NOT ask for or require a parent to provide the username and/or password to their EFA. Providers should never access the student's EFA for any reason.

Education Service Provider Types

For the purpose of the EFA program, New Hampshire law defines an education service provider as *"a person or organization that receives payments from education freedom accounts to provide educational goods and services to EFA students."* Education service provider types include:

- You are an Educational Institution or Program (i.e. School, Virtual Program, Learning Center, Summer or Specialized Education Program)
- You provide therapy services
- You provide tutoring services
- You are an educational retailer (i.e. Products: curriculum, supplies, equipment, etc.)

Education Service Provider Registration

Families will access EFA funds and make payments for services and materials through ClassWallet, a digital wallet and payment platform, with oversight by the scholarship organization.

In order to receive payment from an EFA, education service providers are required to complete the following steps:

Step 1. Complete the registration [form here](#), including uploading your credentials.

Step 2. After your application is approved by the scholarship organization, you will receive an email with a link to the ClassWallet website and the required next steps. Follow the instructions in that email to set up your ClassWallet account.

Safe Learning Environment

All Education Service Providers who provide direct instruction or services to students, are required to provide documentation of the processes used by you, the Education Service Provider, to ensure a safe learning environment for your students. This material is made public so that parents may assess your practices to keep students safe. CSF does not warrant the validity or accuracy of the information provided by you, the Provider. It is the responsibility of the parent or guardian to review and assess the information provided by you, the Provider, as part of the parent's due diligence when choosing a Provider. If you are an education service provider, you may upload a copy of your background check policy or other documentation at the time of application to satisfy this condition and inform parents about your practices to keep students safe.

NH State and FBI Criminal Record Check Information for Providers

Education Service Providers who complete a NH Criminal Record and/or FBI Background Check for individuals that have direct contact with students can distinguish themselves from providers that choose not to conduct these important employee record checks. To find out more information about how to request a background check for you or your employees, please see the link below.

<https://www.nhsp.dos.nh.gov/our-services/criminal-records/criminal-history-record-requests>

Sample NH State and FBI Criminal Record Check Policy

CSF has developed a "Sample NH State and FBI Criminal Record Check Policy" that may be used by approved education service providers for employees of service providers who have direct contact with students. Sample documents should NOT be considered as legal advice, guidance or counsel. Employers should consult their own attorney about their compliance responsibilities under applicable state and federal laws. CSF expressly disclaim any warranties or responsibility or damages associated with or arising out of the information provided.

The "Sample NH State and FBI Criminal Record Check Policy" may be found in the "CSF EFA Policies" document located at: <https://nh.scholarshipfund.org/apply/nh-education-freedom-accounts/>

Fees

There are NO FEES charged to EFA families or EFA providers for using ClassWallet. ClassWallet transactions are subject to a 2.5% processing fee however, **CSF pays the cost of this fee directly from the administrative portion of an EFA grant so there is NO cost to you and no additional cost to families.**

Help and Tips

For help entering your information and/or credentials through ClassWallet, contact help@classwallet.com or 877-969-5536.

For questions about the EFA program, contact us at nhapprovals@scholarshipfund.org.

Denial of Application

In the event that an application is denied in Step #1, the scholarship organization will communicate the reason for the denial in the denial notification and the provider may reapply. Reasons why an application might initially be denied include but are not limited to incomplete or missing credentials or inaccurate or missing information. In such cases, the scholarship organization will identify the deficiency and request that the applicant correct and resubmit the application. If an applicant will not or cannot provide the required information the applicant may be deemed ineligible to participate in the EFA program.

Procedure for Appeal

The scholarship organization is required by law to make available an appeal process for education service providers deemed ineligible to participate in the EFA program. Documents that contain missing or incomplete information are insufficient. While not required, **invoices and receipts SHOULD contain a unique identifier** such as an invoice or receipt number for auditing purposes. If they do not, parents may be asked for additional documentation in order to support the expense.

The scholarship organization strongly recommends that you **do NOT accept cash payments** and that you require a form of payment that provides parents with the ability to provide additional documentation to the scholarship organization if requested (for example a canceled check or credit card). If you accept cash payments, you should be able to provide families with invoices/receipts that contain a unique identifier on each invoice or receipt for auditing purposes.

Direct Pay Orders

Direct Pay orders are used to pay an EFA approved education service provider directly from the student's EFA and avoid making out-of-pocket payments. For example, a parent uploads a tuition invoice and pays the provider directly from their student's EFA.

All invoices must be itemized and include, at a minimum, the following fields:

- School, Provider, or Vendor Name
- Date of the Invoice
- First Name of Student when applicable
- Description of each Item or Service

- The scholarship organization will not accept hand-written receipts or invoices
- Invoices or receipts with missing or incomplete information
- Contracts for enrollment. Parents must present an invoice for an amount due in order to submit a Direct Pay request

Transactions processed through the digital wallet platform use human approval of pre-approved cost categories to approve or deny transactions carried out in the digital wallet platform by EFA parents or guardians. All requests for reimbursement require sufficient documentation of an EFA allowable educational purchase.

Important notice regarding reimbursements:

- The scholarship organization reserves the right to request additional documentation at any time in order to verify the authenticity of receipts.
- Only receipts dated AFTER the student became eligible for the EFA program are allowable.
- The scholarship organization strongly recommends that you do NOT accept cash payments.
- Parents should use a form of payment that provides them with the opportunity to provide additional documentation to the scholarship organization or the State if requested (for example a check or credit card). Not doing so may result in their order being rejected.
- The scholarship organization will NOT accept or approve a hand-written receipt for any transaction.
- The scholarship organization cannot reimburse parents for items that are purchased with gift cards, coupons, or point programs.
- Paypal and Venmo - These services generally do not include all of the fields that the State requires on their receipts and cannot be processed for student services/instruction. Do NOT use the "Pay friends and family" option.

All reimbursement requests must include an itemized receipt or proof of payment that includes, at a minimum, the following fields:

- School, Provider, or Vendor Name
- Date of the Receipt
- First Name of Student when applicable
- Description of the Item or Service
- School Year & Dates of Service when applicable
- Purchased Date and Amount of Each Payment

*While not required receipts should contain a unique identifier such as receipt number. If they do not, parents may be asked for additional documentation.

What is NOT acceptable?

- The scholarship organization will not accept hand-written receipts or invoices
- Invoices or receipts with missing or incomplete information
- Contracts for enrollment. Parents must present a receipt including date and amount paid

Processing Refunds to EFA

EFA PROVIDER REFUND POLICY

General

New Hampshire law (RSA 194-F) requires that EFA funds be administered by a state approved scholarship organization and not directly shared with account holders. New Hampshire law prohibits EFA funds from being refunded, rebated, or shared with a parent, guardian, or EFA student in any manner.

Policy

Education service providers shall not refund, rebate, or share EFA funds directly with parents or guardians. In the event that a refund or rebate for goods or services purchased with EFA funds is necessary, EFA funds shall only be returned to the eligible student's EFA account (digital wallet) within 30 days.

Processing a Refund

To process a refund of EFA funds that were paid to a Provider using the ClassWallet digital wallet platform, the provider must:

- Issue a check to ClassWallet for the refunded amount by student.
- Make the check payable to: Kleo Inc. DBA ClassWallet.com.
- Include the Order ID Number and student name in the check memo.
- Include a letter with the check to ClassWallet which includes the Order ID Number, the name and email address of the parent who made the payment, and the student's name in the letter.

ClassWallet will receive the refund and credit the payment back to the student's account.

ClassWallet Address

Kleo Inc., DBA ClassWallet
6100 Hollywood Blvd. Suite 108
Hollywood, FL 33024

EFA Grant Schedule

The State of New Hampshire will disburse funds to the scholarship organization for eligible student's EFA accounts 4 times during the state fiscal year. EFA applications must be completed and verified by the scholarship organization at least 45 days prior to scheduled payments.

EFA Disbursement Schedule

Funding shall be disbursed 4 times per state fiscal year, in accordance with RSA 198:40-a and with the EFA disbursement schedule in the table below.

- September - 20%
- November - 20%
- January - 30%
- April - 30%

Disqualification of an Education Service Provider

State law requires that the scholarship organization list and update the names of qualified and disqualified education service providers and make these lists available to EFA account holders. Under state law, the scholarship organization may bar an education service provider from accepting payments from the EFA program if the scholarship organization determines that the education service provider has:

- Made intentional and substantial misrepresentation of information. For example, making false claims to an EFA holder or on the service provider application related to licensure, certification, or other credential.
- Failed to refund any overpayments within 30 days or failed to process a request for a refund. All refunds must be processed to the EFA through ClassWallet. See instructions under the “Processing Refunds” section of this handbook.
- Failed to provide students with promised educational goods or services. For example, an EFA holder purchases a set of instructional materials but the provider fails to ship them.

Duty to Review

The scholarship organization is responsible for conducting a review where there has been an allegation made against an educational service provider. Concerns may be reported by direct referral to scholarship organization personnel, or as a result of the auditing process. Depending on the seriousness of the allegation, a temporary hold may be put on an education service provider’s account until the conclusion of the internal review.

The unique facts and circumstances of the incident will determine what processes apply. For example, the process may include documentation review, review of electronic records and information systems, and interviews with the EFA holder and the education service provider in question.

Investigation Reporting

If the scholarship organization determines that the education service provider is not at fault, the scholarship organization will reinstate the eligible education service provider’s account in the event that a temporary hold was placed on the account.

In the event that an education service provider is disqualified from participation in the program, the scholarship organization is required by law to notify parents, guardians, EFA students and the NHDOE within 5 days.

Appeal Process for Denial of Education Service Provider

General

The scholarship organization is required by law, to make an appeal process available for education service providers deemed ineligible to participate in the EFA program. The process is as follows.

Process

Step 1 - Internal Appeal Process

After you are notified by the scholarship organization that you are not eligible, you may appeal the decision if you believe this decision to be in error. Please entitle your email "**Appeal for Reconsideration of Education Service Provider**" to nhapprovals@scholarshipfund.org. The appeal must include the reason for the appeal and any documentation to support your request. Please email the appeal request and documentation to nhapprovals@scholarshipfund.org. You may be contacted if the scholarship organization has additional questions or requires additional information or documentation.

Step 2 - The Parent and Education Service Provider Advisory Commission

If you have completed the Internal Appeal Process and have been found to be ineligible, you may appeal to the Parent and Education Service Provider Advisory Commission. The request for appeal must be mailed to the scholarship organization's Director of Policy and Compliance within thirty days of receipt of the Notice of Ineligibility.

The appeal must include the reason for the appeal and any documentation which will support your request. You may be contacted if the scholarship organization has additional questions or requires additional information or documentation. The provider will be notified in writing of the Commission's decision. All appeals will be deemed as sent on the date of postmark.

Please send appeal requests to the following:
